Q: How to make a circular project plan in org-mode I have been trying to find an answer for this question: How can I make a circular project plan in org-mode? But I have not been able to find one. I have tried using the images but I am having trouble rotating the plan. Can anyone help me with this question? Here is a link to a sample image of the planner I am trying to have:

A: One possibility could be using \- to return the upright image. As a quick demo:

```
#+BEGIN:file :session  
earllysilent :tangle yes #+NAME:clj-1.png #+BEGIN_SRC:file :tangle /tmp/clj-1.png #+END_SRC  
#+RESULTS: [[file:clj-1.png][file:/tmp/clj-1.png]] #+END:file
```

PS: Check @Kermit's comment too

Tag Archive: Peace Corps Cameroon It has been four days since we left Paris, and five days since the last time I was able to write anything. The sheer exhaustion of the past days is leaving its imprints on my posts, memories and thoughts; I might not be able to write today, but one day I will make a post with more details about our trip to Paris, and some things we did in between. In the meanwhile, it is time to write some travel stories. First of all, I would like to introduce the very first Peace Corps volunteer in Cameroon. P.C. Chantel Lemaire is a French girl who works for health informations at the Ministry of Health in the North West region, about an hour north of Yaounde. She
