Klumpen Klumpen is a traditional Danish pastry made with shortbread dough rolled into a tight ball, flavored with almonds and almonds, and then baked. The name literally means a ball. During the Middle Ages, Klumpen were used to cover the inside of a piecrust; the name is a modern adaptation. History Klumpen is first mentioned in an old Danish book by the name Knulp (of which the short version is knolpe), which is simply the Danish version of the Dutch word knappe, meaning "chunk of fat" and may have been a generic word for "fatty or greasy pastry". The oldest known Danish recipe for knulp dates to 1510. Knulp is still in use in Denmark; it is also very popular in neighboring countries and

can be found in all Scandinavian countries as well as on Finnish and Danish market stalls. Like the modern Danish pastry Kringle, knulp are made in a round crust. In the 19th century, several cities in Denmark were granted a new coat of arms featuring a Klumpen in the center. This was a popular motif in Danelaw and Anglo-Saxon England. In medieval Denmark, the klumpen was accompanied by a ball (Dutch knappe) or bell-shaped dish, normally a plaited pastry shaped like a bell. See also Traditional
