You can see it here : <http://evanw.net/reviews/jquery/gallery.html> I would like to be able to get the width and the height of the images to be displayed in the slideshow. I tried this : `$(document).ready(function () { var myWidth = $("#slide").width(); alert(myWidth); });` and I can't get the width of the images when they have more than one. I don't get it, I don't understand why it's not working. Thanks in advance, Regards, A: You would want to use the width() and height() functions. Logging in to cpanel Here are instructions on how to login to your cPanel account. Step 1: Make sure you are logged in to the page. Step 2: If you are an administrator, the login page will probably look like this: If you are not the administrator, the login page will probably look like this: Step 3: In the username box: Type your e-mail address and choose the account name to use as the default username.
