Total war: warhammer is a real time tactical turn based strategy game that was developed by SEGA. The game was launched on PC, PS3 and Xbox 360. The game was developed by Creative Assembly. But i dont have any information about the game plot. Game has Steam Workshop where you can make your own skins and mods. This mod is a total conversion. Total war: warhammer is one of the great mods/skins available in the mod section of steam workshop. Its a total conversion mod. So you get 5 XP boost after the 1st map. You can buy XP from other players in the map. So basically its not free extra XP, its other players XP that you can buy and sell.
