Featuring Hindu Sutra, Kamasutra was a deviation from Peter H. Haas' play The Sex Game: How to Get What You Want. The film is noted for showing sexual positions used by and for women, some of which are depicted in various combinations and/or with enthusiastic coaching by Hindu Sutra as opposed to Haas's play's role-playing. The film also includes scenes depicting bondage and prostitution.[1] During its first run, sexologist John Bancroft accused Haas and the film of misrepresenting Hindu culture.[2] Download Kamasutra (1996)..
