May 3, 2017 40 I can't get enough of my dildo. I rub it slowly up and down as I jerk it hard and fast. I like how I can see my cum dripping down and I like how I can see it a little bit on my skin. I jerk harder and harder and pull it out and look at it while its dripping and run my hands across my body. I love fucking myself with my dildo. I just wish that I had a pussy that I could lick it and slide it in and out. I just wish I could get laid tonight. I don't know how to get laid. My favorite thing is to do to myself in my room. I'm a virgin so my body is really beautiful. It's slim with a slender body and it also has a nice bum. I love when I'm naked and I get into my bed. I run my hands over my tits and my head gets low to look at my pussy from the side. Then I rub my pussy with my fingers and then I put my glass dildo in my pussy and I start to drive it in and out. It makes me so hot and I have this orgasm. Then I do it again. I usually finish watching a porno movie and I cum after that. My name is Jason. I love it when I'm on my dildo and I turn myself on. I masturbate very quickly and I have this big need to cum. I like to lick my nipples and when I get to my pussy I want to fuck myself hard and fast. My favorite position is with my dick at my pussy. I love when I cum. I wanna cum so bad but I can't just cum on myself. Then I just want to shoot a huge load all over my face
